Federal Home Loan Bank of Indianapolis Adds Actual/Actual Remittance Option to Mortgage Purchase Program

We are pleased to announce that effective immediately, Mortgage Purchase Program (MPP) participating financial institutions may execute master commitments to sell mortgages to the Federal Home Loan Bank of Indianapolis (FHLBI) and service them on behalf of the FHLBI under an actual/actual remittance option, in addition to the existing scheduled/scheduled remittance option. This enhancement is specifically designed to provide expanded loan servicing options to meet the needs of our members.

Members approved for participation in MPP interested in learning more about the actual/actual remittance option, may call Don Erwin (317-465-0547) or Cathy Garrett (317-465-0553) for additional information.

Members interested in learning more about MPP are encouraged to call Scott Schmitt (317-465-0540) to obtain detailed information. In addition, information about MPP is available on our website at www.fhlbi.com.
