### **Federal Home Loan Bank of Indianapolis Announces Staff Changes**

The Federal Home Loan Bank of Indianapolis (FHLBI) announces the following staff changes effective March 6, 2006.

Jim Eibel, vice president and relationship manager in the Marketing Division, has been named insurance market manager. The creation of this new position highlights the FHLBI's enhanced focus on the insurance sector. In his new position, Jim will lead the FHLBI's cross-functional insurance team and be responsible for managing all aspects of business development.

Jon Griffin, vice president and previously the advances manager, will assume the role of relationship manager. Jon has served in the FHLBI's credit services department for 10 years, the last 6 as the advances manager where he managed the daily operations of advances, letters of credit, and capital stock. Jon's extensive knowledge of the bank's products and services and the relationships he has developed over the years will serve him well as he transitions to this position.

Brian McCoy, assistant vice president, has assumed the role of advances manager. Brian has been serving as senior credit analyst for the FHLBI. Previously, Brian worked for Railroadmen's Federal S&L as CFO, and later for Peoples Bank & Trust. Brian's background and skills make him a perfect fit for this new role.

FHLBI's goal is to meet and exceed its members' needs. These gentlemen are well prepared to assist our membership. Call 1.800.442.2568 to learn how they can help you.
