Reminder: FHLBI Seeks Nominations for Advisory Council

Bulletin No. 1608
July 5, 2016

Federal Home Loan Bank of Indianapolis (FHLBI) is accepting nominations for a vacancy on its Affordable Housing Advisory Council. We expect to fill a single seat representing Michigan, however, we will also accept applications from candidates from Indiana to hold in case of an unexpected opening. Interested parties should complete a [nomination form](#).

We must receive your nominations by September 30, 2016.

About the Advisory Council

The 12 members of the Advisory Council meet quarterly to confer with representatives of FHLBI's Board of Directors on execution of the bank's housing finance and community investment strategies in Indiana and Michigan. Members provide recommendations on matters such as low- and moderate-income housing, community investment programs in FHLBI's district, and the use of Affordable Housing Program (AHP) subsidies, FHLBI advances, and other credit products.

Members receive a stipend for each quarterly meeting they attend and are reimbursed for travel, lodging, and meal expenses. Meetings may require overnight travel but are typically one day in length. On occasion, additional committee meetings may be required.

Advisory Council members serve three-year terms, with a maximum of two consecutive terms.

Nomination Criteria

FHLBI seeks nominees from a diverse range of community and non-profit organizations actively involved in providing or promoting low- and moderate-income housing or community lending in Michigan and Indiana. Nominees must reside in the state they seek to represent on the Council.

For more information, visit the [Affordable Housing Advisory Council page](#) at www.fhlbi.com or contact [MaryBeth Wott](#), First Vice President and Community Investment Officer, at 317-465-0368 or toll-free at 1-800-688-6697.
