Announcing Results of Affordable Housing Advisory Council Elections

Bulletin No. 1808

November 29, 2018

The Affordable Housing Advisory Council (AHAC) of the Federal Home Loan Bank of Indianapolis announces the election of Erika E. Scott to a three-year term on the AHAC effective January 1, 2019. Scott is Vice President of Development at Herman & Kittle Properties, Inc in Indianapolis, IN. Scott was elected by the FHLBank Indianapolis Board of Directors to a three-year term.

The AHAC is comprised of 12 leaders from community and not-for-profit organizations actively involved in providing or promoting low- and moderate-income housing and community lending in Indiana and Michigan. The AHAC meets quarterly to review affordable housing needs across the two states and advises FHLBank Indianapolis on its efforts to carry out its housing finance and community investment mission. Additionally, the group provides recommendations to the FHLBank Indianapolis Board of Directors regarding affordable housing credit products and program priorities.

“FHLBank Indianapolis welcomes Erika Scott to the AHAC. We value the knowledge of affordable housing, community economic development, and local community lending needs that Erika and all of our AHAC members bring to the bank.” said MaryBeth Wott, Community Investment Officer at FHLBank Indianapolis. “The AHAC is an important partner in helping us meet our affordable housing mission through our member financial institutions.”
