2020 AHP Application Technical Review Notice

Bulletin No. 2009

June 12, 2020

Due to the ongoing COVID-19 pandemic, the 2020 Affordable Housing Program (AHP) Application Technical Reviews, which were scheduled for July 7 – 10 in Indianapolis, IN and July 14 – 16 in Okemos, MI, have been rescheduled to video conference calls via Microsoft Teams.

Following the due date of pre-applications on Friday, June 12, AHP staff will begin sending out meeting invitations through the AHP compliance mailbox (ahpcompliance@fhlbi.com). Microsoft Teams Meetings allow for video and screen sharing capabilities, so AHP staff can review materials and documents just as if the meeting was taking place face-to-face. Due to the volume of technical reviews, these meetings will continue to be limited to one hour.

If you have any questions regarding the 2020 AHP Technical Reviews, please contact Mike Recker, AHP Portfolio Manager, at mrecker@fhlbi.com.
