2021 Community Spirit Award Open for Nominations

Bulletin No. 2109

July 7, 2021

Do you know a champion at an FHLBank Indianapolis member who has shown a commitment to affordable housing and community development?

They may be eligible for the FHLBank Indianapolis Community Spirit Award, which recognizes an outstanding individual making a difference in Indiana and Michigan. In addition to the recognition, FHLBank Indianapolis makes a cash donation to the charity or nonprofit organization of Community Spirit Award recipients' choice.

FHLBank Indianapolis is now accepting nominations for an Indiana and Michigan recipient for the 2021 Community Spirit Award through August 13, 2021. Nominees must be employed by a chartered FHLBank Indianapolis member financial institution.*

Please help us recognize the contributions of our Michigan and Indiana members who help support the continued development of their communities and increase the availability of affordable housing. Your partnership is what allows us to offer our programs.
