Implementation of the New Loan Delivery Process for LAS

Implementation Date December 10, 2018

*Please contact our
MPP Department at

questions concerning ULDD
requirements.*

As previously announced, FHLBank Indianapolis is implementing a new loan delivery process in LAS to be in compliance with new reporting requirements instituted by FHFA.

The implementation date for the new process is **Monday, December 10, 2018.**

The New Loan Delivery Process

Once the new loan delivery process goes live, you will have 2 options for loan delivery:

1. Upload a ULDD file in XML format (Fannie or Freddie Phase 2 or 3).
2. Manually enter loan data.

Note: You will no longer be able to upload a tab delimited file.

As a reminder, the new process also requires the Universal Loan Identifier (ULI) as a required data field from all Sellers who are required to report HMDA information. All sellers will automatically be required to provide the necessary ULI information. If you are exempt from reporting HMDA information, please let us know so we can adjust the LAS requirements as appropriate.

Please call or email Cathy Garrett (317-465-0553 cgarrett@fhlbi.com) or Keith Pempek (317-465-0558 kpempek@fhlbi.com) if you have any questions.
